

Tentative Interim Amendment

# NFPA<sup>®</sup> 1403

## Standard on Live Fire Training Evolutions

### 2012 Edition

**Reference:** 4.16

**TIA 12-1**

*(SC 13-10-9/TIA Log #1107)*

Pursuant to Section 5 of the NFPA *Regulations Governing the Development of NFPA Standards*, the National Fire Protection Association has issued the following Tentative Interim Amendment to NFPA 1403, *Standard on Live Fire Training Evolutions*, 2012 edition. The TIA was processed by the Technical Committee on Fire Service Training, and was issued by the Standards Council on October 22, 2013, with an effective date of November 11, 2013.

A Tentative Interim Amendment is tentative because it has not been processed through the entire standards-making procedures. It is interim because it is effective only between editions of the standard. A TIA automatically becomes a public input of the proponent for the next edition of the standard; as such, it then is subject to all of the procedures of the standards-making process.

*1. Add a new Section 4.16 to read as follows:*

#### **4.16 Victim(s).**

**4.16.1** No person(s) shall play the role of a victim inside any live fire training structure or acquired structure.

**4.16.2** Victims (rescue mannequins) shall not be dressed in fire fighting personal protective clothing.

**Issue Date:** October 22, 2013

**Effective Date:** November 11, 2013
